Annual Report

of the
SELECTMEN, TREASURER, ROAD AGENTS
and
TRUSTEES OF TRUST FUNDS
and
OTHER OFFICERS
of the

Town of Sunapee

NEW HAMPSHIRE
Together with the report of the
SCHOOL BOARD
and the
VITAL STATISTICS FOR THE YEAR 1971

THE SELECTMEN OF THE TOWN OF SUNAPEE TAKE GREAT PLEASURE IN
DEDICATING THIS ANNUAL REPORT OF 1971 TO:

DEXTER O. COLLINS, SR.

MR. Collins has announced his retirement as a road agent. He has served the Georges Mills end of town in that capacity since 1943 and has served the center of town since 1945.

Mr. Collins also served as a member of the Sunapee Volunteer Fire Department for many years. He served on the Dewey Woods Committee and is presently a member of the Sunapee Conservation Commission. He is also a member of the Sunapee Safety Committee.

We have found Mr. Collins conscientious and pleasant to work with. Comments from townspeople and from summer residents have shown us that others find him so also. We wish him a long and happy retirement.

MEET YOUR SELECTMEN . . .
Ernest L. Cutting, II; Richard Leone; and George I. Wiggins

TOWN OF SUNAPEE

The 204th year of our existence featured perhaps the beginning (or Genesis) of a new era for our community. It was a year that told us that the building explosion is about to make a significant impact on our town. Not only has there been a significant increase in land transfers, but also an added number of potential subdivisions or developments, which in all probability will multiply into several transfers at a later date.

As a result, a major emphasis must be put on future planning. It is the primary recommendation of this board that we immediately use the "stop, look and listen" technique before we as a community find ourselves so deeply imbedded with problems that we could not afford to live here. Coupled with the fact that existing facilities such as water, sewer, roads, waste disposal and schools need up-dating, it is imperative that, we appropriate funds for planning with the hope that it will help minimize the financial strain in the years ahead.

In the area of planning, it is hoped that the following will be carried out in 1972:

1. That we approve of the article inserted by the selectmen requesting \$1,000.00 to study future water and sewer expansion. It is hoped that an extension program can be established in addition to the recently approved water and sewer projects.
2. That we make preparations to meet the deadline relative to waste disposal.
3. That a continual program be instituted to update our present road system. It is estimated that the Town will receive approximately \$14,000 for State Road Aid in 1972. Part of this amount is reflected in our highway budget requests.
4. That we support the school board in its request for funds to plan for needed school facilities.
5. That we continue to meet with New London and Newbury officials in the hopes of establishing a consolidated effort in securing a full time tax assessor for the 3 towns.

The Planning Board is presently in the process of exploring what types of zoning in addition to the present sub-division regulations would be accept-

able to the voters of the community. Since this is a highly controversial subject, it will no doubt take many hours of discussion and study. However, it is the extreme desire of the Board of Selectmen that immediate steps be taken to put some stipulations on spacial requirements in various areas such as on the lake, in town and rural sections. Unless this is done it is conceivable that the community could be faced with serious problems relative to health and safety, fire protection, sewer, water and road maintenance.

Perhaps the most significant accomplishment in 1971 was the approval of a \$3,195,000 sewer and \$310,000 water projects at a special meeting Sept. 21st. This was a culmination of approximately 51½ years of frustration and hard work. The projects were initiated at the 1966 Town Meeting. Due to the lack of State and Federal Funds the sewer project lay dormant for several years. However, a breakthrough came in the late spring of 1971 when the Farmers Home Administration (FHA) came through with a grant of \$605,000. The State of N.H. had already committed itself for \$642,000. The last obstacle was that of the Environmental Protection Agency which has promised \$882,000. but didn't have the money available. With the help of area legislators and the Water Pollution Control Board we were fortunate enough to get the State of N.H. to pre-finance the \$882,000. Of the \$3,195,000 voted for the sewer project, the users and/or taxpayers will be responsible for 1/3 of the total project. This breaks down to be \$69,300 plus a maintenance cost of \$19,000 or a yearly cost of \$88,300 for the sewer system. The Sewer Commission will be setting up a series of meetings to work out a method of paying for it. The \$310,000 water project will be paid off yearly by the users.

The First National Bank of Boston will handle the sale of the Bonds. The firm of Ropes and Gray of Boston is the Bond Counsel.

There is a good possibility that the sale of Sewer Bonds could take place by May of 1972. The Water Bonds could be sold in the very near future if so desired.

The Board of Selectmen wish to extend its appreciation to the voters for the confidence shown at the Special Meeting. We also wish to extend our special thanks to Mrs. Rude and the members of her Contemporary Problems Class for the effort in getting out the vote. We are happy to see the younger generation become involved in the problems that face our community. We as a board regret that we were unable to get the meeting a week earlier. If we had, we think we would have had the first N.H. 18 year old voter. Although another community beat us to the punch, we may at least have had the first 18 year old voting on a bond issue.

We wish to pay special tribute to the Town Officers, elected or appointed, for the cooperation and hard work during 1971. Many times their efforts aren't fully recognized or appreciated. We hope you will review the list of Town Officers and contact any of them if you have a particular question. These are very dedicated people and they are represented from most areas of the town. It is this type of individual who has helped to make our community a better place in which to live. Most have worked with little or no remuneration. Much of it has been above and beyond the call of duty. If it weren't for these people our expenditures would be much larger indeed. However, the day may rapidly be approaching when we are going to have to pay for some of these services that we have been getting for so little for so many years.

Due to the sudden potential growth, it may be time for us to discuss the possibility of hiring an executive officer such as a Town Manager, directly responsible to the Selectmen to administer the affairs of the Town. This thought merits discussion in future Town Meetings.

On a sad note, we wish to take this opportunity to extend our deepest sympathy to members of the Adolph von Dreden family. A tragedy such as this has a tremendous impact on a community. Many of us remember how Mr. von Dreden served so faithfully as a Town Road Agent from 1936 to 1942, and how Mrs. von Dreden served as a teacher in the Newport School District before retiring 2½ years ago.

And a big plus to Mr. Dorrington who has done such a remarkable job with the Town Reports. Dick is a prime example of the fine people who have moved in either as a full time or part time resident in recent years. He has taken a sincere interest in its people by offering his friendship and concern. In this report, as in past reports, you will see some of Dick's favorite shots of the town. Just recently he ventured into the field of sports. He seems to be getting more involved with the town every day. Recently, he had the courage to take some action shots at a couple of high school basketball games. We expect to rate him as professional very shortly.

Again, we thank all of the citizens of the community for the fine cooperation and understanding during the year 1971. Your favorable consideration has made our year a much more rewarding one.

Respectfully submitted,
RICHARD C. LEONE

TOWN WARRANT

To the Inhabitants of the Town of Sunapee, New Hampshire in the County of Sullivan in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Sunapee School Gymnasium in said Sunapee on Tuesday, the 7th of March, next at nine of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

ARTICLE 2. To raise such sums of money as may be needed to defray town charges for the ensuing year and make appropriations of the same.

ARTICLE 3. To hear the reports of the Selectmen, Treasurer, Auditors and Committees and/or other officers heretofore chosen.

ARTICLE 4. To see if the Town will vote to raise and appropriate the following sums of money for Expenses of General Town Government; Town Officers' Salaries; \$10,500.00 Town Officers' Expenses \$10,000.00; Election and Registration \$1,500.00; Social Security and Retirement Insurance \$7,250.00; Repairs and Expenses Town Property \$7,000.00, and Contingency Fund \$1,500.00 and pass any vote relating thereto.

ARTICLE 5. To see if the Town will vote to raise and appropriate the following sums of money for the protection of persons and property; Police Department \$33,518.90; Fire Department \$12,410.00; White Pine Blister Rust \$35.00; Dog Damage \$450.00 and pass any vote relating thereto.

ARTICLE 6. To see if the Town will vote to raise and appropriate the following sums of money for the health and sanitation, including the Nurse Association \$7,000.00; Vital Statistics \$50.00; Health Officer \$500.00; Newport Hospital and New London Hospital \$1,500.00; care of Town Dump 4,500.00; Special Survey of Lake Sunapee \$500.00; Collection of Garbage \$2,000.00 and pass any vote relating thereto.

ARTICLE 7. To see if the Town will vote to raise and appropriate the following sums of money for repair of Highway and Bridges; Town Maintenance Summer \$42,000.00; Town Maintenance Winter \$27,500.00; Machinery Maintenance \$8,000.00; Street Lighting \$6,700.00; Town Road Aid \$938.03; General Expenses and Road Oil \$21,900.00; and pass any vote relating thereto.

ARTICLE 8. To see if the Town will vote to raise the sum of \$5,000.00 for Insurance Fringe Benefits for all full-time employees and pass any vote relating thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate the following sums of money; Information Booth \$1,450.00; Dartmouth Lake Sunapee Region \$200.00; Board of Trade \$1,200.00; Lebanon Regional Airport \$350.00; Band Concerts \$1,300.00 to be held at the Georges Mills and Sunapee Harbor, and pass any vote relating thereto.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$9,405.00 for the maintenance of the Abbott Library and pass any vote relating thereto.

ARTICLE 11. To see if the Town will authorize its Selectmen to borrow money in anticipation of taxes for the year 1972-73, and pass any vote relating thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate the following sums of money for Town Poor \$2,500.00, Soldiers' Aid and Old Age Assistance \$2,000.00 and pass any vote relating thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$7,160.00 for the Recreation Committee and pass any vote relating thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the Conservation Commission and pass any vote relating thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the care of the Cemeteries and pass any vote relating thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$200.00 for Civil Defense and pass any vote relating thereto.

ARTICLE 17. To see if the Town will vote to raise \$15,000.00 for the general repairs and maintenance of the Water Department and pass any vote relating thereto.

ARTICLE 18. To see if the Town will vote to raise \$2,300.00 to continue the 6" water main and install a fire hydrant on Winn Hill and pass any vote relating thereto.

ARTICLE 19. To see if the Town will vote to raise \$5,000.00 to connect the 6" water line on Route 11 to the 6" water line on Lake Avenue, Georges Mills and pass any vote relating thereto.

ARTICLE 20. To see if the Town will vote to raise the sum of \$2,275.00 for the Bulldozer Note, \$2,500.00 for the Town Garage Note, \$2,000.00 for the Fire Department Note and \$2,750.-00 for the Chassis and Aerial Ladder Truck Note and pass any vote relating thereto.

ARTICLE 21. To see if the Town will vote to raise the sum of \$2,000.00 for Interest on Temporary Loans, and \$2,000.00 for Interest on Long Term Notes and Bonds and pass any vote relating thereto.

ARTICLE 22. To see if the Town will vote to raise the sum of \$500.00 for the Planning Board and pass any vote relating thereto.

ARTICLE 23. To see if the Town will vote to raise \$1,800.00 to assess any new building and those buildings that were not completed in the 1971 program and pass any vote relating thereto.

ARTICLE 24. To see if the Town will vote to raise the sum of \$500.00 for the Sewer Commission and pass any vote relating thereto.

ARTICLE 25. To take the sense of the qualified voters whether the amendments of the Constitution proposed by the 1971 session of the General Court shall be approved.

ARTICLE 26. To see if the town will vote to raise and appropriate the sum of \$4,000.00 to be used to purchase additional land for the future extension of the town ski tow and pass any vote relating thereto.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 and authorize the Selectmen to make provisions to study the future needs of water and sewer for the Town of Sunapee, and pass any vote relating thereto.

ARTICLE 28. To vote to authorize the Board of Selectmen to sell the Tugie land on 103B by advertising through bids and pass any vote relating thereto.

ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of \$500.00 to be used for improvement to the Ben Mere site as mentioned in the report of that committee. This amount is to be matched by a State Grant through the Office of Economic Development.

ARTICLE 30. To see if the Town will vote to authorize the Selectmen to spend the sum of \$14,254.80 to be used for the improvement of highways and bridges. This is a State subsidy in accordance with Chapter 241, Section 14 RSA.

ARTICLE 31. To see if the Town will vote to raise and appropriate the sum of \$3,995.00 as its share for the George Merrifield retirement fund, and pass any vote relating thereto.

ARTICLE 32. To see if the Town will vote to raise \$4,200.00 in addition to the Capital Reserve Fund to trade in and purchase a 1/2 ton pick-up and to trade in and purchase a new dump truck, and pass any vote relating thereto.

ARTICLE 33. To see if the Town will vote to purchase a new fire truck, the sum not to exceed \$26,000.00, and pass any vote relating thereto.

ARTICLE 34. To see if the Town will vote to allow the tax collector to accept tax payments in advance and to pass any vote relating thereto. (As provided in RSA 08:52-A)

ARTICLE 35. To see if the Town will vote to allow the tax collector, with the approval of the Selectmen, to appoint a deputy tax collector and pass any vote relating thereto. (As provided in RSA 48:38)

ARTICLE 36. To see if the Town will vote to raise \$1,500.00 to help finance the Newport Ambulance service and pass any vote relating thereto.

ARTICLE 37. To see if the Town will vote to pay regular Town Employees time and a half for all work performed over their regular 8 hour day from November 1st thru April 1st, and pass any vote relating thereto.

ARTICLE 38. To see if the Town will vote to purchase a new loader, the sum not to exceed \$30,000.00 and this amount to be taken from the Surplus, and pass any vote relating thereto.

ARTICLE 39. To see if the Town will vote to authorize the Selectmen to study the feasibility of establishing the Town Manager form of government and pass any vote relating thereto.

ARTICLE 40. To see if the Town will authorize the Selectmen to convey to Public Service Co. of N. H., on such terms as they deem to be in the best interest of the Town, an easement of 35 feet wide paralleling the existing Public Service Co. of N. H. right-of-way across land owned by the Town and identified as parcels 47 and 49 on Map 7 and lot 6 Map 8 of the Town Tax Map and pass any vote relating thereto.

The polls will remain open until 7:00 P.M.

Given under our hand seal, this 5th day of February, in the year of our Lord nineteen hundred and seventy-two.

Total fines taken in at Newport Court District			\$2,680.00

Special thanks to the Lions Club for the donations of flares.

Special thanks to Mr. David L. Coffin for the donation of a Polaris snowmobile and trailer.

The Police station now has filing cabinets and equipment which was paid for by a grant from the Governors Crime Commission.

We also have a 5.0 watt Handie-Talkie and a 10.0 watt Handie-Talkie used at a base set, of which a grant of 75 percent \$2,065.00 has been approved by the Governors Chime Commission, payment of this amount was a little late and should be credited to 1971.

Respectfully submitted,
BERNIE A. ROSS, Chief of Police

POLICE CHIEF
Bernie Ross

ABBOTT LIBRARY REPORT

for year ending December 31, 1971

New library hours were instituted on April 1, 1971; the library is now open 19 hours per week, Mondays and Wednesdays from 1 to 8 P.M. and Fridays from 1 to 6 P.M.

Activities this year have included: movies for children pre-school through 6th grade on alternate Fridays during the Winter months and story times every Wednesday afternoon during July and August. Three adult film programs were held. An open house was held on April 23rd in observance of National Library Week. A collection of old post cards and photographs of points of interest in Sunapee in the late 1800's is on display in the Library. These were compiled and loaned to the Library by Mrs. Leon Gould. A donation of \$50.00 was received from the Sunapee Womans Club for childrens books. For anyone interested in sewing, the Library has a pattern exchange. A talking book machine is on display at the Library. Talking books are available to anyone who is, for any reason, unable to use regular printed material.

This Library is involved in a cooperative program with Claremont, Newport and Charlestown Libraries to provide Library service to older people who wish to have this service brought to their homes and is available on request.

The Friends of the Library purchased an air-conditioner and it was given to the Library as a memorial for a former member, Mrs. Claire L. Doherty. The Friends of the Library also sponsored the annual Art Festival which was held at Sunapee Harbor on August 14th.

I have attended quarterly meetings of the District Advisory Council and bi-monthly meetings on Book Selection and other meetings in various parts of the State in connection with Library work.

I wish to express my appreciation to the Board of Library Trustees for the assistance they have given me.

Respectfully submitted,
MABEL S. DAVIES,
Librarian

LIBRARIAN
Mabel L. Davies

INFORMATION BOOTH

At the Sunapee Information Booth for 1971—ten-week season from June 29 through Labor Day, we had 3,206 cars containing 9,661 passengers who stopped for maps — area booklets — inn — motel and restaurant accommodations — cottage rentals and camp sites.

During the month of July our traffic was the heaviest ever, probably because of ideal weather.

Thirty-eight states and 5 Canadian provinces were represented.

FLORA M. PINNEY
HELEN W. RAINEY

ANNUAL REPORT BEN MERE AREA COMMITTEE

Acquisition of the area took place in late March 1971. This placed the land within the responsibility of the Conservation Commission with the intention that ownership and title be transferred to the Town for administration by the Selectmen and the people as soon as possible.

The purchase was brought about through fund raising, state aid and responsibility for a mortgage being assumed by the Ben Mere Committee with the co-signatures of eight citizens of the town. There was no expense to the town.

During April, a Ben Mere Study Committee was appointed by the Selectmen consisting of Ernest Cutting, Richard Morse, Jean Putonen, John W. Sargent, George Wiggins, Richard H. Webb and John McGrath, chairman.

Following a series of meetings, this committee decided that it's philosophy would be a "go slow" approach and that the following recommendations would be presented to the Selectmen for their implementation with the approval of the people at the 1972 Town Meeting:

1. That signs be placed near the street, asking that no parking be done on the lawn.
2. That posts and chain be placed across the upper driveway.
3. That a parking area be constructed on the Burkehaven Hill side.
4. That benches be placed at the top of the lawn for viewing.
5. That commercial advertisers be asked to remove their signs.
6. That the hotel site be filled and graded for use as a daytime playing field.
7. That trails with picnic tables be placed in the upper wooded area to be used for picnics.
8. That there be a summer carnival on the site on July 7th., 8th., and 9th. for enjoyment and fund raising purposes. All clubs and organizations in town to be asked to participate.
9. That the above mentioned projects be financed through volunteer effort, town appropriations and state aid.

Respectfully submitted,
JOHN McGRATH, *Chairman*

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

Lest We Forget — It Can Happen Here

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong hot dry winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947. Nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail.

Please let these reminders by your guide:

1. Never, either when walking, riding or driving, discard a firebrand — a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them *dead out* when leaving.
4. *Most important* — instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year, 1971, was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned — 1971 season:

STATE — 463 fires — 160 acres
DISTRICT — 26 fires — 10.8 acres
TOWN — 1 fire — one half acre

District Chief

GERALD S. GROSS
CLAUDE E. GARDENER

Forest Fire Warden

ENGINEER'S REPORT Sunapee Fire Department

From December 1, 1970 to November 30, 1971, the Fire Department answered a total of 24 alarms. This figure is somewhat below the average for the past several years and accounts for the surplus returned to the town from the 1971 appropriation.

As we mentioned in last year's report we are asking for approximately \$25,000.00 for a new engine to replace the 1953 Ford in the Sunapee Station. This 1953 engine will then replace a 1948 Ford in the Georges Mills Station.

The summer of 1973 will mark the Centennial Year of the Sunapee Fire Department and we are planning a celebration at that time.

The Engineers are requesting an appropriation of \$8,810.00 for 1972. A new item of rental of hydrants may be added to this sum.

Respectfully submitted,
DAVID W. SHERBURNE, Chief
HENRY W. TROW, Deputy Chief
CLAUDE E. GARDNER, Deputy Chief
GUY E. ALEXANDER, Deputy Chief

WELFARE

The economic pinch has been felt in Sunapee this past year and there have been more families requiring help. Help has been needed by some because of illness or accidents and for others because they have become temporarily unemployed. Small Social Security checks for some of our elderly persons have become more and more difficult to live on because of the spiraling costs of living.

We have continued with the surplus food program started in 1970. Foods are supplied by the federal government and we pay the transportation costs for them. They are brought to the town office and Mrs. Joseph Hill and Mrs. Albert Putonen have assisted again this year with the distribution of them.

During the past year, we have served 26 families with a total of 106 people. Some families have been on for short periods because of illness or unemployment and others continue because they do not earn enough and this food is a supplement. Many elderly persons are now receiving the foods and they help to supplement meager incomes.

Any person who feels that his family is eligible for surplus foods should call or visit the town office and Mrs. Hill or Mrs. Putonen can assist them in filling out the necessary form and to answer any questions which they may have.

GEORGE I. WIGGINS
Overseer of Welfare

ANNUAL REPORT OF THE PUBLIC HEALTH AND SCHOOL NURSE

As Public Health and School Nurse of Sunapee, I submit the following report for the year ending December 31, 1971.

Home visits	1,218
Nursing	497
Ante Partum	18
Post Partum	21
Infant Welfare	70
School Home	254
Other	358
School Student visits	
First aid	279
Child Inspection	716
Physicals by Dr. Walker	169
Accompanied to hospital including out patient department	58
Accompanied from Hospital	3
Accompanied to Doctor	54
Accompanied to Dentist (inc. dental clinic)	76
Accompanied to Optometrist	15
Accompanied to Chiropodist	12
Business calls	61
Home-office calls	5
Meetings attended	16
First grade registration in June	26
Dental clinics held	5
Rubella clinic held	1
Immunization clinics (Newport)	7
Mantoux tests for T.B. (School Personnel)	26
School census — birth to 18 years	553

The Dental Clinic was sponsored by the Sunapee Woman's Club and the Bartlett Fund with matching funds from the state. The total amount allocated allowed for fifteen hours of dental work to be administered by Dr. Chris Armen on elementary school children.

The Immunization Clinics held in Newport are now available to Sunapee pre-school children, and are free of charge.

In June I served as nurse for the Recreational Program at Sunapee State Park for the N. H. Association for the blind.

The Savation Army, the Sunapee Lion's Club, and the Bartlett Fund have assisted financially when needed with obtaining vision examinations, eye glasses, dental work, and clothing for families unable to pay.

I wish to thank Dr. John Walker, Dr. Chris Armen, town officials, school personnel, organizations and members of Lake Sunapee Nursing Association for their interest and cooperation in the health program.

Respectfully submitted,
MARY E. GONYO, R.N.
Public Health and School Nurse
Sunapee, New Hampshire

1971 CONSERVATION COMMITTEE REPORT

During 1971 the Conservation Commission spent \$80 of its appropriation for forest improvement work on 10 acres of the Ledge Pond Lot. This is in the watershed of the pond and an area that should remain wooded. It has been recommended that the improvement practice be carried out on a much larger area in 1972. As federal funds paid \$200 of the \$280 cost, this work is being accomplished at a small expense to the town. The purpose is to significantly increase the growth rate of crop trees and to improve the quality of logs at harvest. From the taxpayers standpoint, this type of activity will hasten the day when an income can be returned to Sunapee and at the same time keeps a good vegetation cover on the property.

Your commission viewed the parking lot at Dewey Woods and toured the area this past fall. It seemed wise to delay the installation of nature trails until such time as a maintenance plan can be set up for signs (now under construction), policing of toilet facilities, and the removal of refuse.

In progress is a program of inventorying all town owned property with respect to its characteristics and restrictions imposed by deed. This inventory will aid in determining conservation needs if they exist and priorities for land treatment. It is felt that the reference file now under development will be a valuable reference for the selectmen, the planning board, and other groups in need of information.

Currently under study is the use of easements as a legal tool for accelerating conservation practices on private land and yet preserving areas for use by the general public. The device, like so many things, is controversial. Some New Hampshire towns are using easements in the public interest.

Several citizens completed their terms on the commission and their contribution deserves notice, being: Charles K. Flint, James Eastman, and Richard Webb, Chairman. Mr. Webb resigned to devote time to other pressing duties. New members appointed were Stanley Colby, Richard Kelly, Phillip Johnson, Sr., and Elwood Style.

Respectfully,
STANLEY COLBY, *Chairman*

CONSERVATION COMMISSION
Eileen Stiles, Dexter Collins, Ronald Wyman, John Reed and
William Latva.

REPORT OF THE PLANNING BOARD

The Planning Board has been kept very busy during the year. We meet the 3rd Tuesday of each month at 7:30 P.M. at the Town Office. Twelve regular meetings and six special meetings were held. Forty-four subdivision plans were presented for approval; 5 were determined to be non-applicable, 24 consisted of 1 lot only, 5 with 2 lots and the remaining 10 have a total of 239 lots for a grand total of 273 lots for 1971. Two of these subdivisions, one with 48 lots and one with 35 lots are awaiting

approval. Open hearings were held for nine of these subdivisions.

Delnoce Goubert and Ernest Cutting, II, were reappointed as members and Richard Morrow was appointed, replacing John W. Sargent.

The Planning Board regrets they have been so busy with subdivisions there has been little time left for planning toward the future of the Town. We sincerely hope the time will be found in '72 and some concrete suggestions made relative to the fast growth and the Town's ability to absorb it with little difficulty.

We have held our first public discussion regarding the need for a favorable zoning ordinance.

RECREATION COMMISSION

Philip Morrill, Rita Morse, Ronald Wyman, John Reed, William Latva.

SEWER COMMISSION REPORT

During the past year the Commission worked cooperatively with the Selectmen, State Officials, and the engineering staff of Anderson-Nichols to concentrate in the areas of construction plans, cost and financing.

A series of Commission meetings were held to explore the most equitable methods of distributing the costs of payment and maintenance to the taxpayers, homeowners, and residents of the Town. No decision has yet been arrived at and it is planned that further meetings be held to which members of public will be invited and their viewpoints solicited.

During August a public hearing was held at the High School Gymnasium. At this meeting the entire matter of the proposed sewer construction was thoroughly presented to town members and other interested residents by the Selectmen and Commission members. Several plans of amortization were reviewed with the majority of opinions favoring 100% cost of installation to be paid by the tax rate and the

users paying 100% cost of maintenance.

During September a Special Town Meeting was held at which the voting members of the Town overwhelmingly approved an article to allow town bonding for sewer construction in the amount of \$3,195,000, realizing that the town share of this project will be \$1,066,000.

Respectfully submitted,
WILLIAM MORSE, *Chairman*

Sunapee, N.H., September 13, 1902

MOSES F. KNOWLTON
CHARLES L. RUSSELL
JOHN D. CAMPBELL
Selectmen of Sunapee

Gentlemen:

It gives me great pleasure to donate through you to my native town of Sunapee the Granite Stone watering trough and drinking fountain erected on Post Office Square. When officially notified by you that the gift is accepted my care of the same will cease.

Yours very truly,
GEORGE H. BARTLETT

Sunapee, N.H., September 20, 1902

MR. GEORGE H. BARTLETT,

Dear Sir:

It is with pleasure that we, in behalf of the town of Sunapee, accept the Granite Stone watering trough and drinking fountain, erected on Post Office Square, which you have so generously donated, and give to you the assurance that the gift will be appreciated by the citizens of the town.

MOSES F. KNOWLTON
CHARLES I. RUSSELL
JOHN D. CAMPBELL
Selectmen of Sunapee

Sunapee, N.H., February 15, 1904

The above should have appeared in last year's report but was overlooked.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Sunapee:

ENROLLMENT

The enrollment for the school year 1971-72 is 412 — divided as follows:

Elementary	(Grades 1-6) —	204
Junior High	(Grades 7-8) —	68
Senior High	(Grades 9-12) —	140
		412

The steady increase in enrollment over the last six years should be of interest:

1966-67	295
1967-68	337
1968-69	354
1969-70	373
1970-71	384
1971-72	412

CLASSROOM SPACE & PROGRAM

It should come as no surprise to indicate to you that it is not possible to further improvise and gain needed space within the present building .

By the addition of an additional teacher this year and by moving two more elementary grades into portable classrooms, it was possible to run two sections in Grades 7 and 8. This has been a real educational improvement and has corrected a poor learning situation that had existed for several years.

Even though two additional portable classrooms were purchased, we are in a real bind for adequate facilities in Grades 1 to 6. Perhaps this can best be shown by setting down the present class sizes:

Grade 1 —	16
Grade 1 —	15
Grade 2 —	31
Grade 3 —	35
Grade 4 —	35
Grade 5 —	38
Grade 6 —	34

New Hampshire Minimum Standards for Elementary Schools call for no more than 25 pupils per teacher in Grades 1 and 2, and no more than 30 pupils per teacher in Grades 3-6, with a recommended ration of no more than 20 pupils per teacher in Grades 1 and 2 and no more than 25 pupils per teacher in Grades 3-6.

As can be seen, except in Grade 1, our elementary classes are far in excess of generally accepted standards. Obviously, to provide real relief will require additional classroom space—this we do not have. We have been employing two Teacher Aides to work in some of the grades—and this service has proved to be very helpful. Funds are included in the budget for two additional Teacher Aides at the elementary level as a temporary measure—until the space problem is resolved.

BUILDING PLANS

The progress toward a permanent solution to school space requirements is covered in the Report of the Building Committee and School Board. An Article asking for funds to provide working drawing for a new high school unit (Grades 7-12) on the Tucker Brook property—is included in the Warrant.

I want to publicly commend the members of the Building Committee — Paul Gallup, John Fuller, Richard Mathieson, and the School Board — Farrell Quinlan, Guy Alexander, and Richard Webb, for their concerted and dedicated attention to a school building program. Their findings and recommendations should receive your thoughtful consideration. The final decision is yours.

Respectfully submitted,

GORDON B. FLINT

Superintendent of Schools

REPORT OF THE PRINCIPAL SUNAPEE CENTRAL SCHOOL

Superintendent Gordon B. Flint

Newport, New Hampshire

Dear Mr. Flint:

Commencement Exercises for Sunapee High School were held on June 16, 1971. There were 34 graduates: William Austin, Pamela Avery, Randal Bol, Lenwood Brown, Steven Chadwick, Marcus Click, Nancy Cutting, Christine Dodge, Deborah Fadden, Sherry Fitzmaurice, Jeffrey Hamilton, Arlyn Hastings, John Hokans, Darrell Hudson, Charles Kristant, John Kristant, Jacqueline Miller, Mark Morrill, Cathy Morse, Claire Quinlan, Jane Reney, Ruth Rice, Bradley Roach, Daniel Ruggles, Barbara Sargent, John Schweitzer, Marcia Simms, Emery Smith, Rebecca Smith, Susan Smith, Patricia Sorento, Faith Style, Juanita Wiggins and April Winn.

Recipients of Awards during the school year 1970-71 were as follows:

Sunapee High Alumni Scholarship

DANIEL RUGGLES

Murvin A. Bailey Citizenship Award

PATRICIA SORENTO

Bausch & Lomb Science Award

JOHN HOKANS

Sunapee High School Coaches Awards

WILLIAM AUSTIN, JOHN HOKANS,
and EMERY SMITH

Daughters of the American Revolution

Citizenship Award

PATRICIA SORENTO

John U. and Della M. Emerson Scholarship

JUANITA WIGGINS

Josten Citizenship Award

DANIEL RUGGLES

Sunapee High School Industrial Arts Award

DANIEL RUGGLES

Annie G. Leone Scholarship Fund

JACQUELINE MILLER

John Segalini Scholarship

APRIL WINN

Sunapee Fire Department Sports Award

JOHN HOKANS

Sunapee Woman's Club Award

JACQUEINE MILLER

Sunapee Parent-Teachers Club

CHRISTINE DODGE

Nathan Johnson Memorial Citizenship Award

VAN WEBB

The following students have been elected to the Sunapee High School Honor Society for 1971-1972: Cynthia Abbott, Rosita Wiggins, Sandra Fortier, Marilyn Morse, Mary Pollard, Lynne Tuohy, Michael Chadwick, Jayson Colby, Richard Fuller, Chris Gallup, Lois Nemcovich, Kenneth Sprague.

I would like to announce at this time the establishment of the Herbert B. Sawyer Scholarship Fund by his wife Dorothy B. Sawyer. Mr. Sawyer, a member of the Sunapee School Board for many years, was very interested in the Sunapee High School Sports Program..

The interest of the Fund of \$1000.00 shall be awarded annually to an outstanding athlete who has graduated from Sunapee High School and who is accepted for admission to the Claremont Vocational Technical Institute or to a similar school of higher learning.

A new work-study course has been initiated for Senior boys. This course includes both classroom study and working on the job from 12:30 P.M. to 3:30 P.M. each school day. We feel that the course has been very successful. It is our hope to be able to include Senior girls in this program in 1972-73.

Respectfully,

DAVID W. SHERBURNE

Principal

SCHOOL WARRANT — STATE OF N.H.

To the Inhabitants of the School District of Sunapee qualified to vote in District affairs:

You are hereby notified to meet at the School Gymnasium in said District on the 6th day of March 1972 at 8 o'clock p.m. to act upon the Article set forth in this Warrant not covering the election of District Officers. Said Officers will be acted upon at Town Meeting on the 7th day of March 1972 in said Gymnasium with voting by official ballot and check lists and the polls will remain open for this purpose from 9 o'clock a.m. until 7 o'clock p.m.

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Treasurer for the ensuing year.

Article 4. To choose a Member of the School Board for the ensuing three years.

Article 5. To choose two Auditors for the ensuing year.

(Articles 1, 2, 3, 4, 5 will be acted upon at Town Meeting.)

Article 6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

Article 7. To see if the District will vote to raise and appropriate the sum of \$379,597.86, as recommended by the School Board, for the support of schools, for the payment of salaries for School District Officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of available income estimated at \$9,770.

Article 8. To see if the District will vote to raise and appropriate a sum not to exceed \$40,000 for final working drawings for a high school, Grades 7-12, on the Tucker Brook property.

Article 9. To see if the District will vote to raise and appropriate a sum not to exceed \$2,500 to dispose of and/or demolish the present building know as the Longview Terrace and to prepare this site for the construction of a school building at a later date.

Article 10. To see if the District will vote to authorize any unencumbered balance accruing June 30, 1972 in excess of \$1,000 to be placed in a Capital Reserve Fund to be used toward future school transportation needs.

Article 11. To transact any other business that may legally become before this meeting.

Given under our hands this 7th day of February nineteen hundred and seventy-two.

SUNAPEE SCHOOL DISTRICT

Report of the School Board and Building Committee

At the Annual School District meeting March 8, 1971 a motion was passed directing the moderator to appoint a building committee to work with the School Board. The purpose of this committee was to study and present to the voters plans for a building program to meet the needs of the increasing school population at Sunapee Central School.

Mr. Paul Gallup, Mr. John Fuller and Mr. Richard Mathiesen were appointed by the moderator to serve on the committee along with the members of the School Board.

At the first meeting Paul Gallup was elected chairman and John Fuller was elected secretary.

Prior to the formation of this committee the School Board had spent considerable time studying the building needs of the School District. Reports of their work can be found in the Annual Reports of the Town of Sunapee for 1969 and 1970.

From the very beginning the committee has proceeded with their work with the feeling that every building possibility must be studied and every question must be answered.

The student enrollment at Sunapee Central School has been increased at a steady rate for many years which resulted in overcrowded conditions in some areas. To alleviate this condition the School District authorized the purchase of three portable classrooms over the past three years. However, this was a temporary measure and the overcrowded conditions still exist in some areas.

The location of additional building space came under a great amount of discussion and study. An architect was asked to prepare preliminary plans and cost estimates of new construction at the following locations, each having the same approximate square footage in new building space:

1. An addition to Sunapee Central School down the banking connecting onto the gymnasium.
2. An addition to Sunapee Central School at its present level extending towards and including the principal's house.
3. A new building at the Long View Terrace site.

The architect returned with the requested plans plus a fourth plan which placed a new building on the ground behind the portable classrooms.

After reviewing the plans and cost estimates, it was found that all four buildings or additions would cost about the same amount of money. The committee in reviewing these four alternatives found the following:

a. There would be little or no saving if the new construction was done at the present site.

b. The cost of acquiring additional land around the present building by eminent domain would be very high since this land area is well developed, highly assessed, residential property.

c. Using the plan which would connect the present building down the banking to the gymnasium would result in a building which would be difficult to administer because of the continual movement up and down the stairs. It would also by law involve the installation of an elevator since it would be a multi-level building.

d. The plan which involved building on the mound behind the portable classrooms and the plan which connected on to the present building extending towards the principal's house would involve the purchase of additional land in the immediate area. Also much of the playground space would disappear.

e. Any building on the present site would not allow for any future expansion due to the location and the limited land area.

f. Any additional building on the present site would also greatly increase the traffic and parking problems which already exist.

g. The present location does not have sufficient land area for the development of additional play area or athletic fields which are greatly needed.

The question of state building aid which amounts to 30% of the building costs, was investigated. A consultant from the State Department of Education was asked for his opinions and recommendations. His findings, which were written after he visited Sunapee, explained that under the present minimum standards for school construction adopted by the State Board of Education, no new construction on the present site would receive state financial aid unless a special exemption was granted by the State Board of Education. As the town already possesses an excellent site for a new building, the committee felt that there was little ground on which to base a special hearing before the State Board of Education.

The committee spent two days visiting schools within the state. Schools visited included those with traditional plans and those with open space plans. The type of construction of the schools visited included conventional buildings and the pre-engineered metal buildings.

It was the feeling of the committee that metal buildings should be investigated completely before a decision is made on the type of construction to be used. This investigation is now in process.

Upon reviewing the discussions of all the meetings of the committee, the following points summarize its work to date:

1. A school building program is needed in Sunapee.

2. There would be no savings in actual construction costs if the new building was done at the present site.

3. State aid, which amounts to 30% of the building costs, would not be available for new construction at the present site without a special ruling by the State Board of Education. State aid would be available for new construction at the Long View Terrace site.

4. Now is the time to make the break away from the present site with any new school construction. Any further additions to the present site would:

a. greatly complicate the problems faced in the future if further expansion was ever necessary.

b. not solve the problems of parking, athletic fields and general congestion already existing at the present site.

5. It is not only educationally sound but highly desirable to separate elementary students from secondary students. It was the feeling that a new secondary school should be constructed rather than an elementary school.

The reasons for recommending a new secondary school include the following:

a. Remodeling the present school for expanded high school use would be more costly because of the specialized areas which are needed such as science

laboratories, shops, library and resource facilities, business and home economic rooms.

b. There would be probably no state financial aid for any additions to the present building now or in the future.

c. The present athletic fields are not adequate for high school use with no suitable land available for expansion.

d. The present parking facilities are already inadequate for high school use.

e. The present building can best be converted for elementary purposes for a longer period of time without additional construction, although some renovations will be necessary.

The committee agreed that one of the problems faced with the building at the present time is that there are about 200 students in grades 7 - 12 at present. It is difficult to build adequate core facilities in an economical manner for much less than 400 students. The committee felt that this problem should be investigated more carefully by the School Board and an architect.

The committee therefore, recommends that the School Board proceed to develop a definite proposal for a school building program for grades 7 - 12 at the Long View Terrace site for consideration by the voters at the March meeting.
